HEALTH INSURANCE FINANCIAL POLICY

We are dedicated to providing the best possible care for you, and we want you to understand our financial policy.

Most health and accident insurance companies cover chiropractic care. Keep in mind that your insurance policy is a contract between you and your insurance company.

If you have insurance, we will call your insurance company to determine your coverage for chiropractic care. However, information provided by phone (or written in an insurance policy book) does not guarantee the payment of benefits. Insurance companies cannot establish whether benefits will be paid until an actual claim is submitted. We cannot take responsibility for knowing which services your insurance company will or will not cover. Not all insurance plans cover all services. Ultimately, you are the party responsible for payment for all health care services we provide to you at our clinic. As a courtesy to you, we will gladly submit to your insurance company invoices for services we provide to you.

PAYMENT RESPONSIBILITY
I understand that I am personally responsible for any remaining balance this clinic does not collect from my insurance company. In the event my insurance company does not compensate your clinic within sixty (60) days after billing, I will pay the remaining balance.

I have read and understand this financial policy and agree to be bound by its terms.

I agree never to rescind this document. I hereby instruct that in the event another attorney is substituted in this matter, the new attorney will honor this lien as inherent to the settlement and enforceable upon the case as if it were executed by him. I fully understand that I am directly and fully responsible to said doctor for all medical bills submitted by him for service rendered to me and that this agreement is made solely for said doctor's additional protection and in consideration of his awaiting payment. And I further understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually recover said fee.
